NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

IN RE: JUDGE RUIZ REASSIGNED)	JUDGE DAVID A. RUIZ
CIVIL CASES)	
(see attached case list))	
)	ORDER
)	

The present action was recently reassigned to the undersigned District Court Judge pursuant to General Order 2022-03. **All prior orders** issued in this action, including (but not limited to) Initial Orders and Case Management Orders, shall **remain in effect** unless such order(s) were superseded by subsequent court order(s).

Furthermore, the parties are hereby **ordered** to confer and file a brief **Joint Status Report** within fourteen (14) days of this Order. The Joint Status Report shall set forth the following:

(1) Identify by date and electronic filing number **all pending motions**, whether said motions are ripe, and whether any of the pending motions have been rendered moot by subsequent developments.

(2) The **status of discovery**, including any unresolved discovery disputes *only if* the dispute had previously been brought to the court's attention. Any potential new discovery disputes should not be brought to the court's attention until the procedures set forth in the Local Rules have been followed. The parties should not present argument about any pending or potential discovery disputes. If discovery has not commenced, a brief explanation should be furnished.

(3) Whether the parties have engaged in or are interested in engaging in a **settlement and/or mediation** conference either through the court's alternate dispute resolution (ADR) procedures or through a private mediator. The parties shall also advise whether any portion of their claim(s) have been settled or whether claims against any party or parties have been settled. If there has been a settlement in principle, the parties shall advise when the stipulated notice of dismissal was filed or when they intend to file a stipulated notice of dismissal.

(4) Identify the date and time of any **upcoming conferences** with the court set by the previous District Judge assigned to the matter.

(5) **Any other matters** that the parties agree should be brought to the court's attention. However, the Joint Status Report is not an appropriate vehicle to raise issues and arguments more properly addressed by way of a motion.

IT IS SO ORDERED.
